*That I may know him and the power of His Resurrection, and may share His sufferings, becoming like Him in His death, that by any means possible I may attain the resurrection from the dead.*

*Philippians 3:10-11*

Apostle Paul not only taught the Gospel, but passionately lived it, suffered and ultimately died for it. Like many before, including Moses, he had a vision and a deep desire to know the Lord, and all that it meant for his life.

In this conference we will seek how to apply the great truth of knowing Jesus, being known by Him, and the power of His Resurrection Life.

Our key speakers for the day will be Pastors Ian Huxham, Evangel Church, Sidmouth, Devon and Tim McIlwrath specially over from New Testament Pentecostal Church, Ballynahinch, Northern Ireland.
